from Carondalet, who has been clerking for Uncle Zack Mitchell for two or three weeks during Mr. M.'s abscence last Wednesday, col-

without going through the formality of risuling good-bye to his friends. Usele Zack feels an abiding interest in the young man's welfars, and would be pleased to hear of his whereabouts.

g? Mr. G. A. Krichn, the old and well know bout, aloe and hat merchant, No. 70 Main afreet, is now in receipt of his stock of guods in his line, which old and new customers will find exactly cuited to their wants. Mr. K. has been engaged in this branch of business in our midst for more than ten years, and we have yet to hear of the first one of his customers who was disastisfied with any goods recommended by him. A far proof, strict hearsty, and close attention to business, has, and will continue to be his motio. Call and see him.

The Crissan was ended, and peace o'er the sea. The Grange of California, Missouri, has resolved to do no business with any firm belonging to the association of plow manufacturers in litinols.

St. Joe is enraged because the new bus, ness directory of the city shows the population to be 23,602, when it is claimed that

ix miles south of this city, accompanied by his twifs and siater, were returning home, after attending the convention berr last Wednesday, when near the cemetry, the horses attached to his buggy became frightened and attempted to run, but he succeeded in bringing them under control, not however until Miss Stevenson had been thrown from the buggy and seriously injured. When in the neighorhood of the Fair (fround, the horses again became unmanageable, and succeeded in getting away, throwing the whole party out and making kindling wood of the vehicle. Ben is not seriously hurt, but his wife had one limb broken between the ankle and knee and also received other severe bruses upon her body and head, and Miss S. was again considerably injured. All parties are new doing as well as could be expected under the circumstances, and will probably be fully satisfied with their experience is buggy riding for some

Have you heard the glad tidings? What! do

John Staley has been buying some fine blooded calves.

We have a young man with us who is windbroken. The doctors say it was caused by running fast, he made the inst-

busy that they have no time some conamong themselves. That little game.c. to latest novelties of the season, and quet, is kept up every evening on Independence street. As I do not understand pendence street. As I do not understand in ail respects. Very respectfully, spratt McCAUSLAND & BEDFORD.
